Mulholland Falls Analogy and MKULTRA COINTELRPO, MLKULTRA, tied to Ongoing Government Blunders witj my DNA and DNA rights

200 Material Witness to the Felony Protection Racket undermining me not protecting me

I have a very long term history and continuing experience of losing fights I did not start, in sidewalks, stores and the legal system giving me long term record of misdemeanors tied to conduct of "double dumb ass on you" statements to various people, etc.,

I have traced the provocations to something I analogize to

> Mulholland Falls, not to be confused with the 2001 film Mulholland Drive. From Wikipedia, the free encyclopedia
>
> Treat Williams as Colonel Fitzgerald

Cleanup of Espionage (Manhattan Project in my case) by Espionage hits as needed to save the bosses

The Bourne Identity - Logistics coordinator, Niky Parsons (Julia Stiles) handled many technical tasks during Treadstone missions. In The Bourne Identity, she was responsible for many smaller tasks, such as printing wanted posters for Bourne and his traveling partner (later girlfriend), Marie Helena Kreutz, and operating a switchboard through which calls to and from Treadstone's base were filtered. She also handled more important tasks, such as being commanded to cover up the very public death of an agent, the agent killed himself by jumping out a window to escape Bourne after Bourne beat him severely (although she specifically says that she couldn't because it was public and in Paris). Essentially, her job as logistics coordinator involved managing the technical details of Treadstone missions and cleaning up collateral damage.

Mulholland Falls Gen. Timms (John Malkovich), kingpin of U.S. atomic testing, who saw the girl on the last weekend of her life. And Timms, in turn, is connected to the unbending Col. Fitzgerald (Treat Williams) and the snaky chief of police (Bruce Dern).

The basic form of the scam is that those who surround me to, in their own words, defeat white supremacism, will label me with their own acts by assaults upon me for their acts towards others and toward me.

The outlandishness of the acts towards me which make statements and labile me and towards other are sufficient to both incite me in anger and to incite others.

The system takes my normal acts in reality and turns them into a play on a stage as actors surround me similar to or as the FISA scandal. My dialogue of I would like a personal pizza gets responded to by a covert operator turning that into some seedy WWII antique shop dialogue.

In extortion vendors assert that my normal purchases are code purchases and use my normal purchases as their foil. For instance at Subways Sandwich Corpus Christi my order of a southwestern chicken sandwich special on a poster on a wall led to a black female making statements like "how do you want that stake and cheese" and in other orders at that shop "well you you like your buns toasted/buttered?"

The know i reject their entendere but a protection racket which planted the vendors has a Doppelgänger of me who did order pizza and the cops will catch that person.

> [They pull up by an antiques shop and get out of the car.]
> Peggy Carter: This way.
> Steve Rogers: What are we doing here?
> Peggy Carter: Follow me. [They go inside.]
> Antique Store Owner: Wonderful weather this morning isn't it?
> Peggy Carter: Yes, but I always carry an umbrella.
> [Peggy leads Steve into the hidden lab to Dr. Erskine and his team in a big circular room filled with machinery and a pod in the middle.]
> https://transcripts.fandom.com/wiki/Captain_America:_The_First_Avenger

What happens in that backroom the Doppelgänger of me is lead into is the subject of what in cons are called The Grandparents Scam.

Before we get to the emergency, which does not exist, let us consider who wants to claim they are my emergency contact.

Christ Llloyd. His daughter worked for Genetech in marketing and he had some genetics companies he was working on including something phonetically called Flow Through and possible AIDS or or other research.

The ARC of Northern Virginia, retardation and Autism researchers seeking genetics cures.

Nueces County Social Services I refused to sign up for and never will, or the Nueces Texas District Attorney Matt Gonzales or US Marshalls who conduct asset seizures.

My brother Tom Donegan, gay rights activist and who has fought me for years as to whether I was competent or not, I always said I had far more actual real work and training than him.

Over the course of time I have learned that the emergency often is Doppelgangers of me mostly non white who have pictures of buttocks, especially white gym women, and have kept those pictures as "visual porn" and now those spontaneous masturbating Doppelgangers of me owe those white and other females MY DNA for them masturbating.

Again, this witness group includes "mop pushers" who through fraudulent acts inaccurately allege my masturbation, cause my self relief by denying me a partner, or themselves masturbate in gyms to white women in medical anonymity as the identity will be confused with my own.

The Sound and Fury Ploy I refer to is that as others photograph women character assassination of me before the public ascribes the event to me but denies me an allegation I could refute if it were made. Simply staring at me in aviator glasses is the baseless character assassination type of activity.

The Doppelgänger will have some sort of emergency and Grandparents will be called for the incompetent, the Doppelgänger of me, who needs some representation to settle matters.

This is the public appearances being manufactured linking me to things I am not linked to.

Thus PsyOps of MKULTRA and CIA Secret Service operations persecute me for activities I am not actually linked to, utilizing Marshall and other tactical groups can carry out lethal criminal and religious harassment conditions of my life through inciting vigilantism against me.

The work product of staging incriminating dialogue and photos I have no control of leads to the later assessment I must have been involved in something at the scene, but by the time of that confrontation I have been switched out with a Dopple who will take the circumstantial evidence and forge my confession to it creating a preponderance or complete case of my alleged involvement in calling adult entertainers, and those entertainers find the dopple of me has child porn.

In most likely some "deputized and self funding neighborhood watch the non whites or gays at the scene, or via the confession, are rewarded assets, genomic assets, for the sex offenses I appear to have been involved in.

It seems a Mr Hyde side of me came out, but in fact My Hyde is a real sex offender following me around dressed as me.

For the police/prosecutor, prosecuting THAT Mr. Hyde can get Dr Jekyll’s genome for the victims of Mr. Hyde and from Dr. Jekyll, if misrepresentation of Dr Jekyll is actually working for the victims of Mr. Hyde.

It is Mr. Hyde, or Lesbian couple Mrs. Hyde and Mrs. Hyde, who created the offense and then solved the offense, and as such, like the victims, will be part of the settlement from my

retardation assets trust fund.

Effectively, Prosecutors and even Masons can fund their Christmas Toys Bins for their beneficiaries by faking cases against me while also claim to REPRESENT ma and my interests.

They do not, they are using my assets for themselves, and assigning their liability to me.

	Me Denying to me there is any allegation against me these condescending SJWs will tell my "grandparents" they are entitled to my baby because of what they caught me [themselves] doing	

Vocabulary.com retrieved from link and copied or modified to here

argue

> argue 1. v have an argument about something 2. v present reasons and arguments - Voabulary.com

provoke

> stimulate or incite (someone) to do or feel something, especially by arousing anger in them.

> deliberately make (someone) annoyed or angry.

evoke

bring or recall to the conscious mind. "the sight of American asters evokes pleasant memories of childhood"

invoke (a spirit or deity)."Akasha is evoked in India when a house is being built to ensure its completion"

premise

n. LOGIC a previous statement or proposition from which another is inferred or follows as a conclusion. "if the premise is true, then the conclusion must be true"

verb. base an argument, theory, or undertaking on. "the reforms were premised on our findings"

"I argued with a Trump supporter and he called me all sorts of names and his real malice and beliefs about me came out during the argument."

"I merely put my camera into his face and walked with him in public and he argued with me saying 'get the heck away from me.'

When WE said we are going to have his baby because we caught him, we caught him, he shouted anti gay anti black things at me showing he was a a psycho. Premised on my belief he should be made to have inter racial children it is therefore his moral error he is unwilling to provide us usage of his genome and that psychosis is what is blocking him from giving up children to others."

One of the pro non white affects of this is the white person looks bad because the the Hoax, and it is a hoax, makes Dr Jekyll look like scum and a harmer of the vulnerable.

Black Marshalls staged at least 20 photos of teens and tots being photographed by an ass fetishist. A protection racket will in secret proceedings allege I took the pictures.

Getting themselves substituted for me, Anti White Supremacists isolate me and surround those who may have been influenced by my

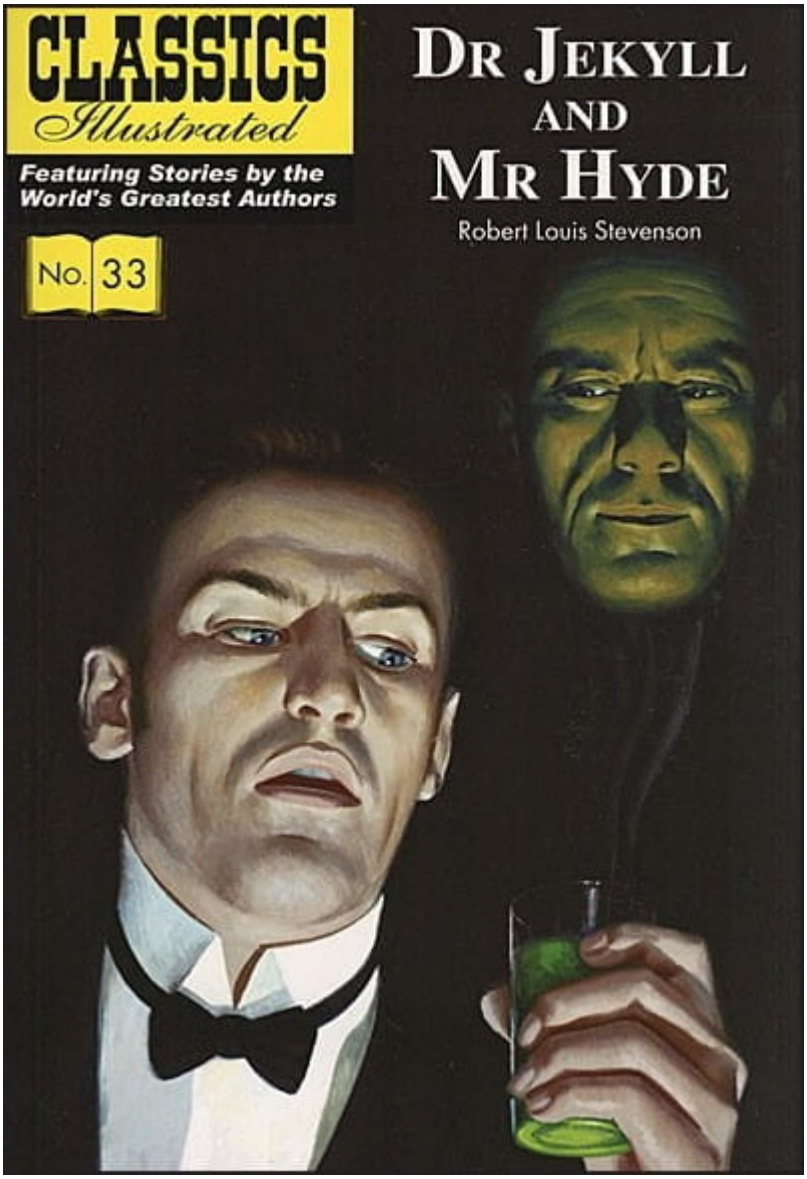
Dr Jekyll is proud of being white and defends the white race. His alleged "Mr Hyde side" loves minority children as his own and as his sex objects.

My Hyde is a dopple of me, not a side me, not a disassociated personality of mine. A fraudulent record of that being me was created and a fraudulent claim I have dissociative disorder fits the Mr Hyde personality attributes to me.

Mr Hyde is a alleged side, a character assassinating view of me, created by an Information Doppelganger and that acts of that information Doppelganger.

Black Marshalls	**Mr Hyde**	Related to neither, Ed Donega, Dr Jekyll

The paradox of who is Mr Hyde and how does he fit into some other identity



What set off Mr Hyde from the Law Enforcement who invented and deployed him as FBI contractor was the need for the Government and Religous Missions to claim rights to my DNA and make a sock puppet Ed Donegan who has harmed others.

A fake "trigger" alleged in me is something set me off. In fact nothing ever did but women who the government wish away from me are told they should not be around me. Acts of others in my direction are women making a public show of apologizing for being around me, but vague that up with also the apologies is for tangling feet, shopping cart collision, etc.,

The sock of the sock puppet are my stolen clothes.

Hyde is drawn from prison and homeless populations to "mind model" the allegations made behind my back which defame me and create liabilities in which property of mine (Dr Jekyll in this metaphor) is due to people victimized by Mr Hyde in my vicinity.

I have long said correctly the ass fetishism, peeping at women normally in my view, a need for white skin rather than Gothic or Victorian or leather or latex fashion was the prison felon aesthetic, not mine.

Mr Hyde disassociates, exists, in FBI operations per Jen Moore, the CIA and Secret Service from what I have heard directly, and flow from Eric Holder like programs targeting, defaming, and dispossession Whites who are seen as antagonistic to blacks and thus must be pre-empted and co-opted with the property of whites moved to blacks creating an equity rather than disequilibrium.

This is the fight against White Supremacism, "Targeting" me as Targeted Individual with defamatory and illegal evidence plants, etc., then inciting vigilantism against me.

As i sought the answer for racial hate crimes against me that only further polarized and issue still do not as my calling out black or other aggression and research the reason.

Further, that seems tied to MKUTRA history of 1961 tied to Obama, MKULTRA, religious use of my DNA, and the fake claim, claim backwards, that all of the was justified and allowed.

In fact this is mere persecution of me for acts and interests not my own, but created cover stories of who can create claims to my DNA as I move from homeless shelter to homeless shelter.

That others have an interest in use of my DNA they will not admit to me solves the paradox of why Mr Hyde is tied to illegal State persecution of me and why the State will not stop the acts against me.
